## **Earth Day Celebration Features Chance To Win 2010 Ford Fusion Hybrid**

**No Cost To Enter Drawing To Win Car Donated By WellMed;  
Bicycles, Trees, Xeriscape Plants Also Among Giveaways**

**San Antonio, TX** – San Antonio's official Earth Day Celebration returns to Woodlawn Lake Park on Saturday, April 17th. And this year's event features a chance to win a 2010 Ford Fusion Hybrid donated by WellMed Medical Management with no purchase necessary.

"We are thrilled with WellMed's generosity in donating a new Ford Fusion Hybrid. The chance to win the car – with absolutely no purchase necessary -- is reason enough to attend this year's Earth Day celebration," Joe Alderete, Chair, San Antonio Earth Day Chair, said.

Earth Day San Antonio, part of the annual Fiesta San Antonio, focuses on appreciation of our planet, with emphasis on the environment, recycling, conservation, and consumer awareness. It is co-sponsored by the City of San Antonio and the San Antonio Earth Day Committee

The celebration begins at 10 am and ends at 4 pm. This free event is part of a world-wide observance of our planet. It features numerous exhibitors and food vendors, environmental and gardening ideas, and on-stage performers.

Exhibitors will be giving away earth-helpful items plus literature, samples, and information about their products and services. There will be drawings for 30 beach cruiser bicycles; CPS Energy will give away 2000 trees; and SAWS will give away 1500 xeriscape plants. The Woodlawn Lake Community Association (WLCA) will give away more than 500 flower and vegetable seed packets to Earth Day visitors.

There is no cost to participate in any of the giveaways but you have to be present to win in the drawings.

WellMed Medical Management is donating a 2010 Ford Fusion Hybrid car that will be raffled in the afternoon of the Earth Day event. Free raffle tickets will be available beginning at 10 a.m. ONE ENTRY per person and you must be present to win. The winner must be 18 years of age or older, possess a valid Texas Driver's License, and is responsible for any and all applicable fees and taxes.
